# The Echo

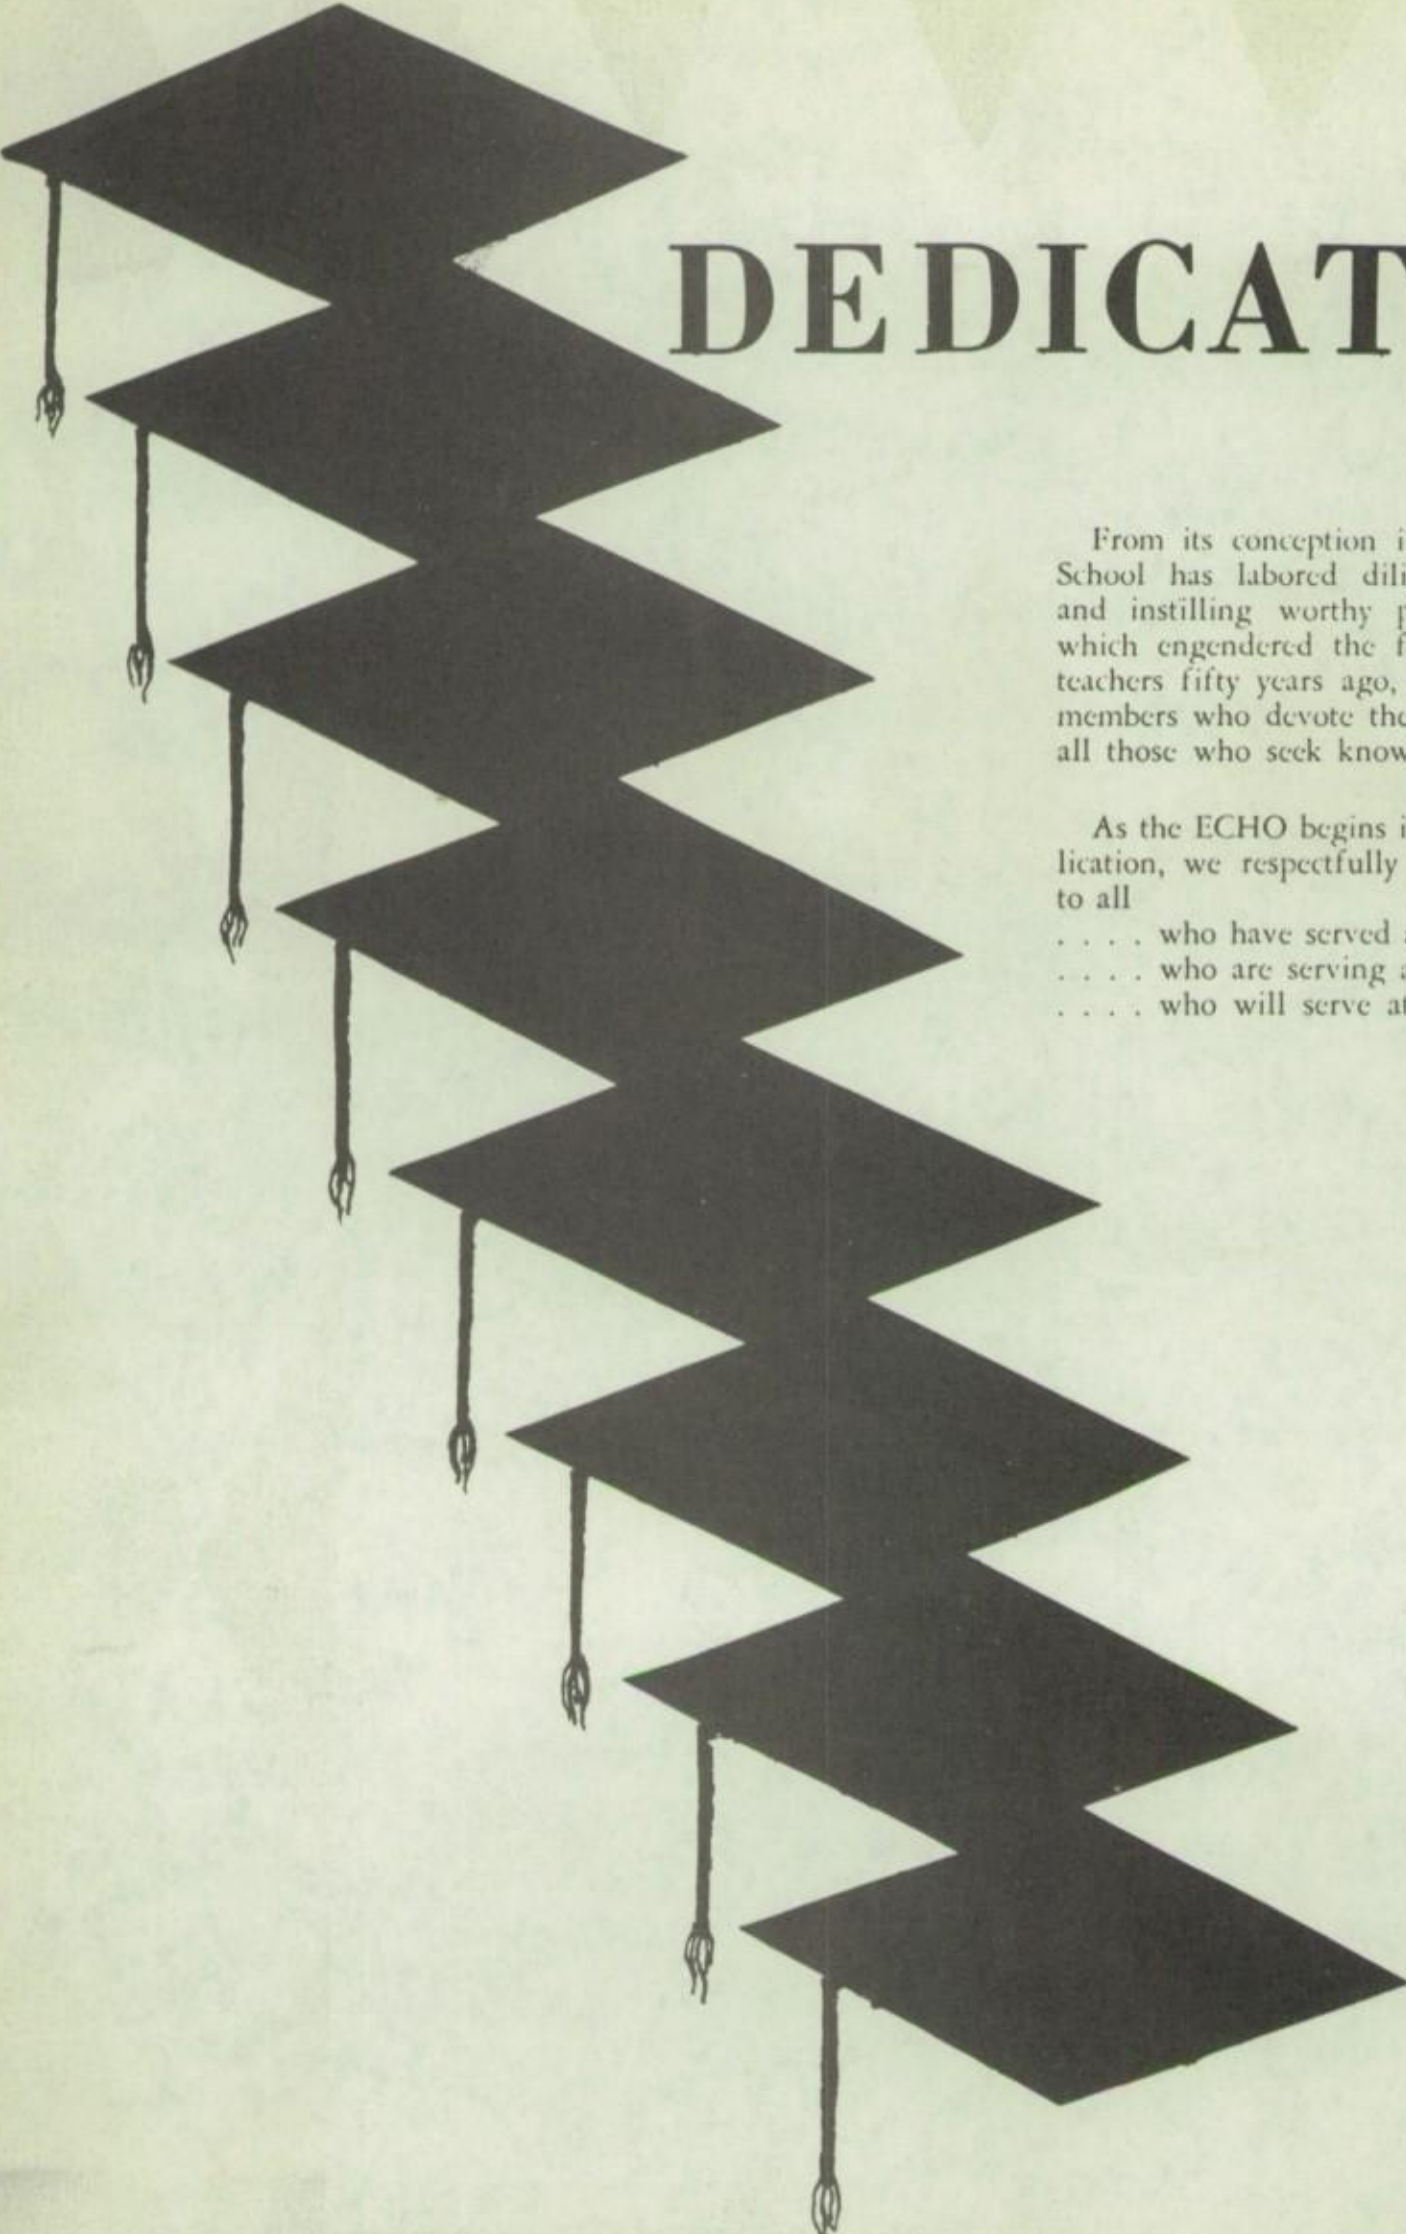

1955-1956

West Night High School

Cincinnati, Ohio

# DEDICATION ▼

From its conception in 1900, West Night High School has labored diligently, moulding character and instilling worthy principles. The same spirit which engendered the fruitful works of the early teachers fifty years ago, still permeates present day members who devote their lives to the education of all those who seek knowledge.

As the ECHO begins its second fifty years of publication, we respectfully dedicate this 1956 ECHO to all

. . . . who have served at West Night High School  
. . . . who are serving at West Night High School

# EDITORIAL ►

Producing an annual is a big job, but when it is finished and distributed to the students, we then begin to realize our reward. We see the students eagerly paging through the annual looking for their pictures and those of their friends and classmates—laughing at the candid shots of themselves. The rewards continue not only for this year but for many years to come as we pick up the annual to review an important part of our lives. Incidents which we had nearly forgotten are vividly brought back to mind by means of the picture history inscribed within the pages of the ECHO.

Yes, producing an annual is a big job—but a job that we all enjoy because it brings us face to face with all the students as we cut, paste and assemble.
